ROSEVILLE COMMUNITY SCHOLARSHIPS

Sponsor a Scholarship in *Your Business's Name.*

Roseville Cares invites every corner of our community — businesses, neighbors, and civic groups — to invest in local students. We're asking local businesses to establish a Roseville Community Scholarship: a lasting way to invest in the students who will one day be your employees, your customers, and your neighbors. Scholarships are facilitated entirely through the RAHS Career & College Center, and **your gift goes directly to the fund you create — not to the district.**
